

Securing the future for area seniors

O'Neill Center

Annual Report 2019

Helping area seniors live

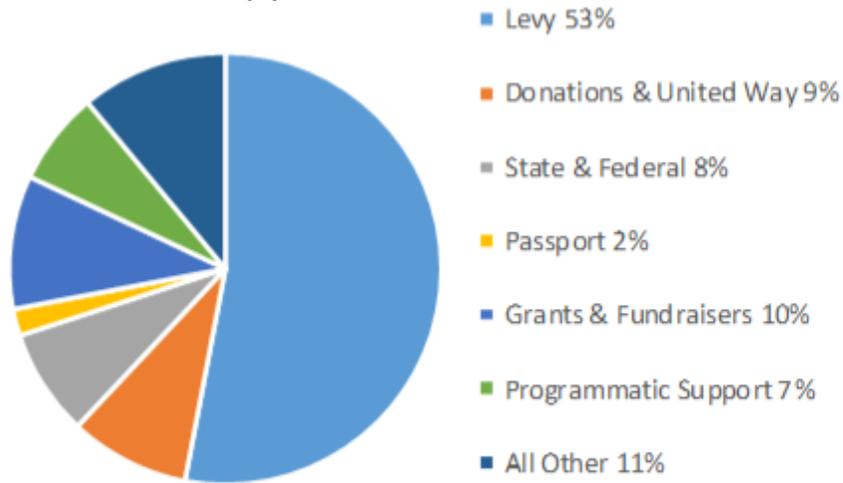

HIP: Healthy, Independent & Productive lives

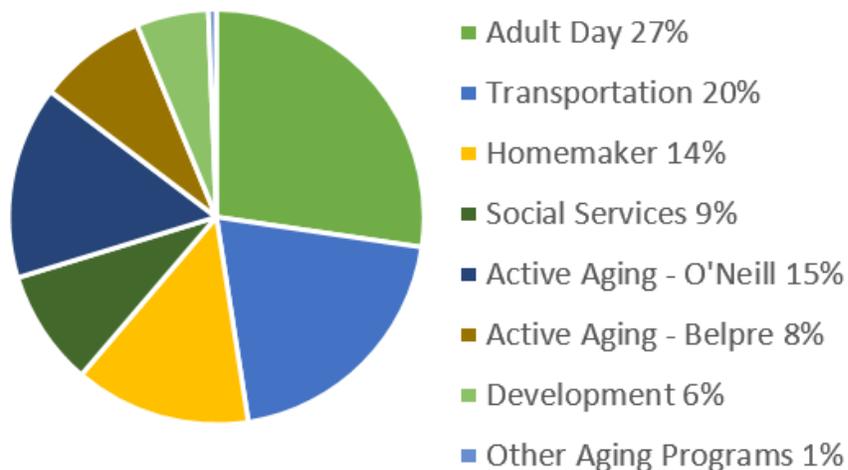

MISSION

The mission of O'Neill Center is to advocate for and provide specialized services, programs, and volunteer opportunities, which help seniors live healthy, independent, and productive lives. In short, we help seniors be HIP: Healthy, Independent, and Productive.

Community Investments

ABOUT OUR SERVICES

Over 2,600 older adults, living here in our community, received service or participated in the O'Neill Center's programming over 77,000 times in 2019. Those are numbers we are proud of because we know we are impacting our community. The O'Neill Center remains committed to helping area seniors live Healthy, Independent and Productive lives.

Active Aging—Enriching, engaging activities that promote healthy, independent living.

In 2019, over 1,700 participants visited over 44,000 times enjoying fitness programs, health related activities, educational programs and enjoyed social activities. The O'Neill Center is a County-wide organization with locations in Belpre and Marietta. Additionally, classes are offered at various locations throughout the County so participants can take advantage of programming close to home.

Adult Day Services—A home away from home where friendships develop and caregivers are offered peace of mind while they attend to their own lives. In 2019, 5,885 days of service were provided to some of Washington County’s most vulnerable seniors.

Homemaking—Everyday chores are performed so seniors can continue living in their own homes. In 2019, homemaker aides provided nearly 5,000 hours of in home service to mostly disabled adults who can now remain living healthy lives in their homes, where they prefer to age.

Social Services—Provides the tools seniors need to make informed decisions and also offers a connection to important services and benefits. In 2019, services provided included prescription assistance; benefits enrollment; Medicare part D and supplemental insurance guidance; and much more.

Transportation—Providing rides to doctors offices, treatment centers and social services organizations. In 2019, drivers helped seniors travel to important destinations logging 126,000 miles, providing over 11,000 trips with an average of 12 miles per trip.
