

Telephone- and email-based care-coaching program that assists and supports adults with health conditions and their family and friends who care for them.

The program is available at no cost to you!

A personal Care Consultant helps with:

- **Finding** and **getting connected** to health and community services
- **Prioritizing** concerns using a simple step-by-step plan based on **YOUR needs**
- **Communicating** with loved ones, family, and friends about care and **managing** difficult situations and behaviors
- **Staying in touch** with individuals and families so **adjustments** can be made as situations **change**
- **Getting** other family and friends **involved**
- **Being there for YOU** as an **emotional support** when overwhelmed or faced with challenges

Why BRI Care Consultation?

“I don’t know what services fit our needs”

“I have a hard time with my loved one understanding care and accepting help”

“My loved one is acting different... Angry... Upset... Sad... Anxious... What do I do?”

“I have a hard time getting everything done... It’s becoming stressful”

“I just received a dementia diagnosis, and I don’t know what that means”

“I have safety concerns”

“My family disagrees about care and next steps”

How Does BRI Care Consultation Work?

Begins a conversation with Care Consultant by sharing story and concerns

Care Consultant helps to prioritize concerns, provide recommendations & advice

Work together on developing steps to address priorities and alleviate concerns

Receive Action Checklist/Plan that guides next steps

Care Consultant helps with existing steps & identifying new concerns

Care Consultant stays in touch to provide ongoing support!

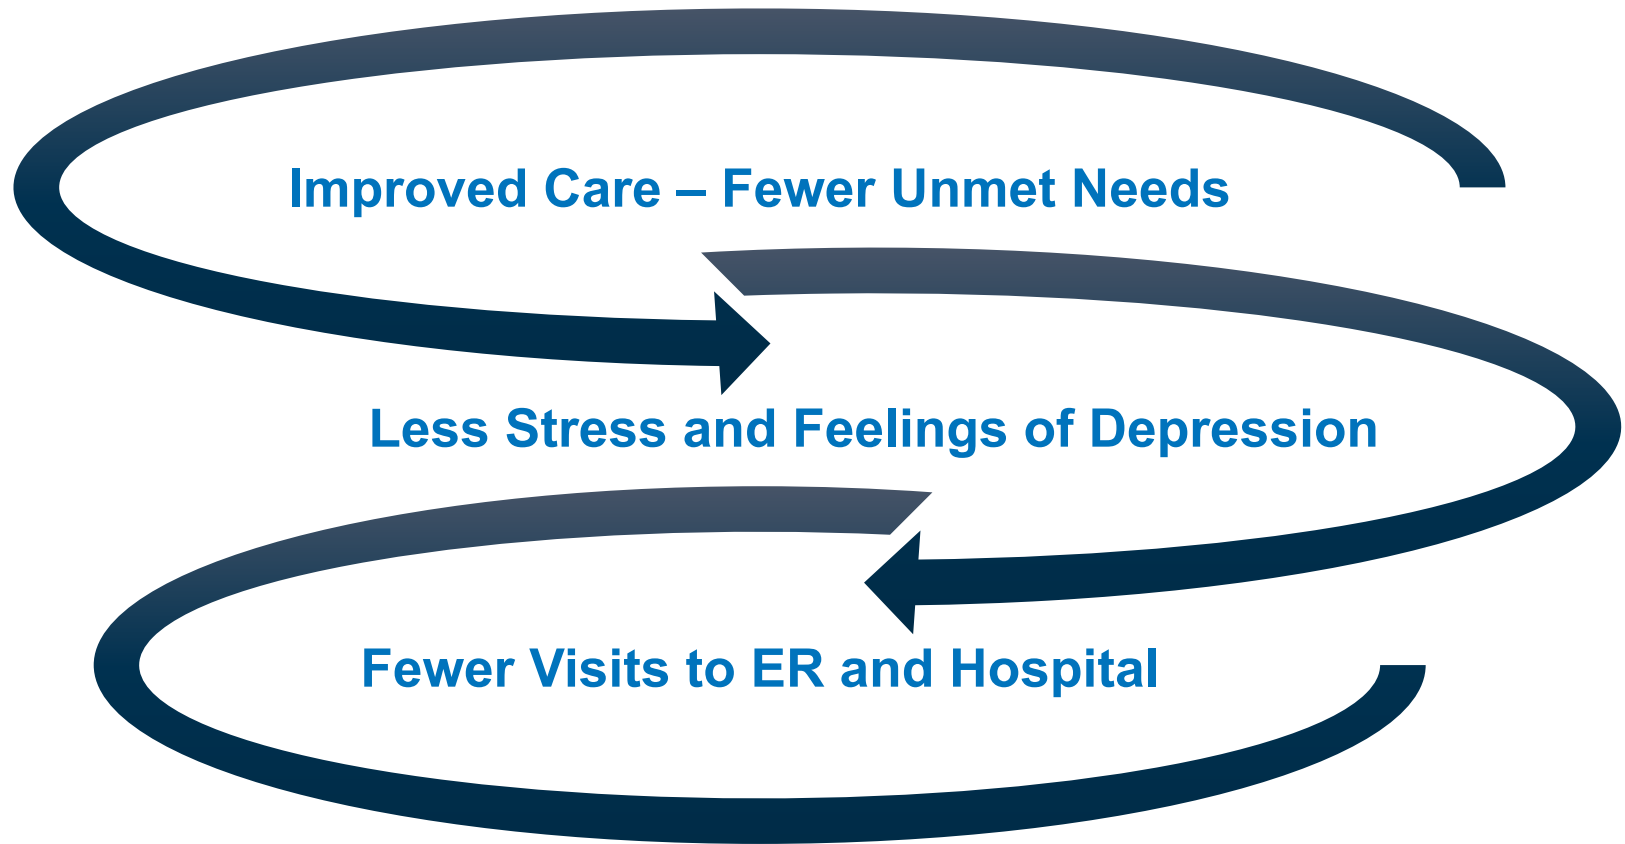

What Others Say about BRI Care Consultation...

"I would highly recommend BRI Care Consultation to others. The need is so great for families who don't know of resources available in their area to assist with the care of chronically ill relatives, or that support caregivers."

"Families who use BRI Care Consultation appreciate the personal connection - that they have a person who knows their situation, who they can call for a variety of questions related to caregiving."
